Safety & Performance Built into Every Morooka

Joystick Control

The next generation of carrier control is now here, with the rugged JS7000 Danfoss® joystick. Designed for safe and durable operation. The new H1 main pump and Fairfield travel motors can now be controlled with one hand.

ROPS Certified

Operator safety is greatly enhanced with ROPS certification of both the cabin and frame structure of the machine.

Remote Mirror

Job site safety can be as simple as knowing your surroundings. The heated/remote mirror is just another way Morooka keeps you safe.

Digital Display

The Danfoss® Plus-1 video display not only provides the operator with an easy to use machine interface, but also provides an additional layer of safety with the standard back-up camera.
