

THE MOROOKA MST4000VD, OUR LARGEST MACHINE YET!

The U.S. built Morooka MST4000VD is the largest rubber track carrier in our line-up. Biggest engine, biggest tracks, biggest load capacity.

The MST4000VD is powered by a muscular CAT® C9.3 engine and features a heated and air conditioned ROPS-certified cabin, back-up camera, video information display, remote mirror, and easy-to-use joystick control. Your new MST4000VD rubber track carrier will come direct from the factory with your choice of tailgate-equipped easy-flow dump bed, flatbed, or no bed. (If you require a smaller platform, see the MST2200 (</mst-2200vd.html>) series or the MST3000VD (</mst-3000vd.html>). See also the "Industries Served (</customized.html>)" tab for more information about specific applications.)

- Hydrostatic transmission
- Rubber tracks — faster than steel tracks, with lower ground pressure
- Robust, powerful CAT® C9.3 375 hp T4 final engine
- Easy maintenance
- Industry's best dealer, parts and service network
- 1 year/1,000 hour warranty
- Operator-friendly and safe ROPS cabin
