## MST 600VD & 600VDL Morooka Rubber Track Carriers

The Morooka MST 600VD & 600VDL are Morooka's medium sized machines that are small enough for maneuverability in tight spaces, but yet large enough to reduce the number of trips. Powered by Kubota® engines they provide a nice boost in horsepower over the 300 models.

**MST 600VD & 600 VDL**
