

Ready For The Dog Days Of Summer?

Those sweltering summer days will be here before you know it and now is the time to make sure your air conditioning system is good to go!

SAVE NOW

With a complete Air Conditioning System Inspection for JUST

\$300

One price, mileage included for the first 60 miles

Included in the service:

A/C System check including:

- Check system charge pressures
- Add up to 3 lbs. refrigerant
- Check metal and flexible lines for contact wear and leaks
- Check compressor for leakage in shaft area
- Check and clean condenser coil
- Check and clean cabin air filters
- Free walk around inspection

We'll send one of our skilled techs right to your shop or to your jobsite. (Up to 60 miles round trip)

They will thoroughly inspect the machine A/C system and even add up to 3 lbs. refrigerant at no extra charge!

While they are there they will also complete a free machine inspection and alert you to any issues they may find

Offer expires July 31, 2016 and is subject to change without notice
